Subject: ASTA's Comments to SAG: Proposed Amendment for the Importation of Corn

Dear Mr. Marco Munoz,

I trust this email finds you well. My name is Dr. Martha Malapi, and I am writing on behalf of the American Seed Trade Association (ASTA). We have carefully reviewed the proposed amendment to Resolution N° 1,187 of 2022 concerning the importation of *Zea mays*, as put forth by the Servicio Agrícola y Ganadero (SAG). After thorough consideration, we would like to submit our comments and observations for your review (attached).

Thank you for your consideration of our comments. Our team is available for any additional information or to participate in any upcoming consultations related to this amendment.

Best regards,
Martha
