DIRECTIONS

1. Name of Variety should be the same as indicated on PVP Application form, ST-470.
2. This declaration should accompany the hard copy form ST-472, *National Center For Genetic Resources Preservation Deposit Form For Plant Variety Protection Voucher Sample*, that is submitted to the PVP Coordinator, USDA-ARS, National Center for Genetic Resources Preservation, 1111 South Mason Street, Fort Collins, CO 80521-4500. Telephone: 1-970-495-3200. Email: Renee.White@ars.usda.gov

¹An Event is defined as: A single insertion of a nucleic acid construct into a specific site in a plant's chromosome that is regulated under the U.S. Coordinated Framework for the Regulation of Biotechnology (Coordinated Framework)

² This information refers to the intentional existence of an Event in a PVP seed deposit. It does not refer to either seed adventitious presence or seed low level presence in the seed being deposited.

³ See footnote 2.
