

Pacific Northwest Import/Export Workshop Resources

November 2019

Links, resources, and contact information discussed at the ASTA Import/Export Workshop in Tacoma November 13, 2019.

New European Union Export Requirements:

[Information from Oregon Department of Agriculture](#)

[Informational from Washington Department of Agriculture](#)

[European Commission Announcement](#)

Pest Databases:

[APHIS Phytosanitary Export database \(PExD\)](#)

[International Seed Federation's Regulated Pest Database](#)

ASTA Seed Pest Database is under construction, returning online soon at www.betterseed.org

Note: ASTA is working to compare pest databases and work to remove unscientifically justified pests from countries' harmful organisms list. If you'd like your company's pest list to be included in this effort, please contact us.)

APHIS Resources:

[Plants for Planting Manual](#)

[Phytosanitary Certificate Issuance and Tracking System \(PCIT\)](#)

Federal Orders and Notices on Viroids:

[Federal Order on Importing Tomato and Pepper Seeds for six viroids \(August 9, 2019\)](#)

[Federal Order on Importing Tomato and Pepper Seeds for Tomato Brown Fruit Rugose Virus \(November 15, 2019\)](#)

[European Commission Emergency Notice to Prevent Spread of Tomato Brown Fruit Rugose Virus](#)

U.S. Tariffs on Vegetable and Flower Seed from China:

[Office of the U.S. Trade Representative Announcement](#)

[ASTA Exclusion Requests Filed](#)
