

Powerhouse

Powerhouse seedless watermelon variety produces uniform, blocky fruits with firm flesh, great internal color and full flavor. Offering high yield potential, a high percentage of 45-count fruits and early market advantage, Powerhouse is an ideal choice for growers in both the eastern and western U.S.

FEATURES

- Can develop sugars early allowing for potential early harvest
- High percentage of 45-count fruit for the market
- Firm flesh and nice internal color
- Thick rind for improved shipping
- Improved fruit holding ability and vine vigor
- Broadly adapted
