

PVP SEED DEPOSIT DECLARATION IN ADVANCE TO PVP EXPIRY

[Name of PVP Applicant]

[Name of Variety]

[PVP Certificate Number]

[PVP Certificate Expiration Date]

EPA REGISTRATION

For those Events that are Plant Incorporated Protectants (PIP), [Name of PVP Applicant] declares that:

_____ The PVP seed deposit (PVP Voucher Sample) for the variety covered under this PVP certificate contains an Event(s)¹ ²for which there will be an EPA registration at the time this PVP certificate expires.

_____ The PVP seed deposit (PVP Voucher Sample) for the variety covered under this PVP certificate contains an Event(s)³ for which there will NOT be an EPA registration at the time this PVP certificate expires.

USDA DETERMINATION OF NON-REGULATED STATUS

[Name of PVP Applicant] declares that:

_____ The PVP seed deposit (PVP Voucher Sample) for the variety covered under this PVP certificate contains an Event(s) for which there will be a USDA Determination of Non-Regulated Status at the time this PVP certificate expires.

_____ The PVP seed deposit (PVP Voucher Sample) for the variety covered under this PVP certificate contains an Event(s) for which there will NOT be a USDA Determination of Non-Regulated Status at the time this PVP certificate expires.

¹An Event is defined as: A single insertion of a nucleic acid construct into a specific site in a plant's chromosome that is regulated under the U.S. Coordinated Framework for the Regulation of Biotechnology(Coordinated Framework)

² This information refers to the intentional existence of an Event in a PVP seed deposit. It does not refer to either seed adventitious presence or seed low level presence in the seed being deposited.

³ See footnote 2.

IDENTITY OF THE EVENT(S)

[Name of PVP Applicant] declares that the following Events are contained in the PVP seed deposit (PVP Voucher Sample) for the variety covered under this PVP certificate⁴:

VARIETY PATENTS

[Name of PVP Applicant] declares that:

_____ There is an existing U.S. utility patent(s) for the variety in the PVP seed deposit (PVP Voucher Sample) for this PVP certificate.

_____ There is not an existing U.S. utility patent(s) for the variety in the PVP seed deposit (PVP Voucher Sample) for this PVP certificate.

[Name of PVP Applicant] agrees that all of the above information may be included in the Germplasm Resources Information Network (GRIN).

PVP Applicant Signature

Date:

DIRECTIONS

1. Name of Variety should be the same as indicated on PVP Application form, ST-470.
2. This declaration should be sent to:
PVP Coordinator
USDA-ARS, National Center for Genetic Resources Preservation
1111 South Mason Street
Fort Collins, CO 80521-4500
Telephone: 1-970-495-3200
Email: Renee.White@ars.usda.gov

⁴ The identity of the Event will include the Phenotype/Event designation in the USDA table of regulatory decisions found at : http://www.aphis.usda.gov/biotechnology/petitions_table_pending.shtml
