More information about The Nines Hotel:

- *Located next to Pioneer Square and the central business district in one of the country's premier walking cities, this luxury hotel in Portland is an ideal spot for launching all of your adventures. Browse nearby boutiques, dine in the trendy Pearl District, or use the eco-friendly MAX light rail to explore the beautiful gardens, museum grounds, and chic neighborhoods that pepper the lively city of Portland. Our gracious Portland hotel concierge team is happy to arrange day trips to the mountains, wine country, and beyond.*
- *Ideally situated next to bustling Pioneer Square, the Nines, Portland rests atop the landmark Meier & Frank Building and pays contemporary homage to the edifice's storied past, both in its striking décor and impeccable service. Flocked in glazed terra cotta, this fifteen story masterpiece was brought to life in 1909 and served as the flagship store and headquarters for Meier & Frank, once heralded as the largest retailer west of the Mississippi.*

Rich in history and accentuated with a diverse past, this iconic monument featured the first escalator installation in Portland and, in 1922, also functioned as the studio for Meier & Frank's very own radio station. At its peak, the building housed everything from a pharmacy, to a pet store, to a deli and served as Clark Gable's place of employment prior to him meeting fame and fortune as an actor in the 1930's.

Through all of its alluring past, the Meier & Frank Building has remained steadfast as a timeless landmark in Portland's downtown culture.

- *Art Consultant Paige Powell, a Portland native and confidante of Pop Art legend Andy Warhol, worked closely with the city's community to bring together a timeless and captivating collection to be featured throughout our property.*

People are multi-dimensional, so their surroundings should be, too. Art, architecture and design allow a hotel to blend the old with the new, the contemporary with the classic, and the comfortable with the exciting. With these creative mediums, one can create a mood and personality for a place that takes it from predictable and commonplace to unexpected and enchanting. Channeling the unique atmosphere of Portland and the surrounding area, the Nines offers a fascinating art collection that is both authentic and memorable. Our guests will be exposed to a variety of pieces that range from Hap Tivey's Pearl Moon, a curious image depicting the elasticity of light, to Storm Tharp's portrayal of Clark Gable's personal narrative with Tie Salesman (Clark Gable). At the Nines, we are particularly excited about the opportunity to engage with our guests in celebrating fine art.
